

A large, illuminated, faceted globe sculpture is the central focus of the image. The globe is composed of several large, triangular and quadrilateral facets, each displaying a different view of the Earth's surface. A large, blue, translucent hand is superimposed on the globe, with its index finger pointing towards a specific location in the North Atlantic. The globe is mounted on a dark, circular base and is illuminated from below, casting a warm glow. In the background, a large crowd of people is visible, suggesting the sculpture is in a public space or museum. The overall scene is set at night, with the globe's lights contrasting against the dark surroundings.

Teaching and learning in a networked, digital world

“People’s lives depend upon us moving data quickly and securely.”

Telstra’s ADSL 2+ could help you speed through your day with a network up to 78 times faster than standard ADSL¹.

“Telstra has been integral to our business, helping us span large distances and providing critical advice and business solutions.”
Peter Tually, Imaging the South, diagnostic imaging specialists

Find a solution that’s right for your business

Business Broadband Mobile Broadband Business Tips

1. Compared to 256kbps ADSL connection. Not available to all customers in all areas. Actual speeds may be less due to a number of factors including network configuration, line quality and length, exchange type, member premises interference, traffic and hardware and software. About 50% of members on the “High Speed” plans can access speeds around 10Mbps or more. 2. Measured between Telstra’s internet point of presence. 3. Included with Advantage package for 2GB plan on 1 PC or available as Business Security. Additional charges may apply. 4. Mail and Web Protection provided to 5 users included with Advantage package or available via Business Security. Additional charges may apply.

Education must evolve

Technology is a necessary part of education transformation

How I see technology

The image is a movie poster for '2001: A Space Odyssey'. It features a dark, almost black background. In the center, there is a glowing, pale blue sphere, which is the Moon, positioned directly above a larger, dark, curved horizon line representing the Earth. The lighting is soft and atmospheric, with a subtle glow around the Moon. At the bottom of the poster, the title '2001: A SPACE ODYSSEY' is written in a clean, white, sans-serif font. The overall aesthetic is minimalist and iconic, reflecting the film's focus on space exploration and human evolution.
